## The Dreadnought

## Year 3, Volume 5 ... December 2015

Welcome to the December 2015 edition of the 'Dreadnought'.

For this edition we have put together a timeline history of the club from its establishment in 1873 to the modern day era ... 142 years of Wakefield Trinity as a rugby club.

We have attempted to stay with 'on field' events; matches, records, players etc. and the events at Belle Vue and attempted to stay away from 'off field' politics
